I drink very, very little, but I am
steadily against prohibition. To be
honest, when I was out by Col-

Tired

"I was weak and run-down," relates Mrs. Dale Burnett, of Fulton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't over hungry. I know, by this, I needed a tonic, and as there is none better than—

CARDUI
The Women's Tonic

"... I began using Cardui," continues Mrs. Burnett. "After my first bottle, I slept better and ate better. I took four bottles. Now I'm well, feel just fine, eat and sleep, my skin is clear and I have gained and now feel that Cardui is the best tonic ever made."

Thousands of other women have found Cardui just as Mrs. Burnett did. It should help you.

WHEN HEARTS ARE TRUMPS

Tragedy if Child Should Have Christmas Come and Go Without an Ecstasy

F. Y. have no child of your own, you must know the joy of Christmas for the child who is the center of the world to his family.

Only a child can have the right of way on Christmas day. It is not a game to him, it is a reality.

It is the time when the world makes a pause to honor the child who is the center of the world to his family.

When a wonderful thing is the sharing of the joy of the child who is the center of the world to his family.

When there is a child in your home, a better gift is a more beautiful one than any other. It is the joy of the child who is the center of the world to his family.

Thank God for children. Of such is the kingdom of heaven. It is a gift to the world.

If there is no child in your home, maybe there is one in your neighborhood. It is a gift to the world.

What a tragedy if a single child in your town should have Christmas come and go without an ecstasy.

Miss Louise M. Mullin returned Sunday night after spending the week-end in Union City, a guest of Miss Mildred Goodart.

THE COUNTY AGENT'S COLUMN

First Report of Egg Laying Contest.

There are 50 farms women co-operating with the county agent in conducting a winter egg laying contest. The contest started the 1st of November and the first month's results are in. It will be the practice each month to publish the three highest records made in the county.

The three highest records made for the month of November were made by Mrs. Gus Browder, Fulton; Mrs. Ben Moore, Grundy; and Mrs. R. E. Adams, Hickman.

Mrs. Gus Browder, 397 eggs produced by 20 Darrow Plymouth Rocks, 11.8 eggs per hen per month. Ration: Milk, mash and grain.

Mrs. R. E. Adams, 285 eggs produced by 20 Black Langshans, 9.4 eggs per hen per month.

Mrs. Ben Moore, 221 eggs produced by 40 Brown and White Leghorns, 8.1 eggs per hen per month. Ration: Milk, grain and mash.

These are splendid records for the month of November. The hens are just getting through the moult and no high records can be expected. However, if they are well fed during the moult they will come through it in good shape and begin laying right off and continue through the winter.

A good winter ration is as follows: Grain: equal parts by weight of corn and oats. Mash: one part meat scraps or tankage and 5 parts shorts. Keep mash before hens at all times. Feed one-third grain ration in the morning and two-thirds in the evening. If plenty of milk is available, leave off tankage. Keep chickens warm and give them plenty of fresh air.
